FINCA SONRISA

LUXURY FINCA ESTATE

The Villa of Smiles, as Finca Sonrisa could be translated, lives up to its name. It is a house filled with the wonders of the beautiful life, where Mallorcan architecture meets an exciting combination of contemporary design and Art Deco style. Created by architectural studio Holzrausch, this holiday dream house is a traditional country estate on the outside; on the inside, it's a glamorous lifestyle journey from the 1920s into the present. The villa's centrepiece is the spacious living room with a bar suspended between two columns and (probably) the longest kitchenette in Mallorca. This 500 square metre finca is situated on a spacious property with panoramic views overlooking the lowlands around Palma and the Tramuntana Mountains rising majestically in the background.
