RELVÃOKELLERMANN

RelvãoKellermann is a Munich-based industrial design studio. Ana Relvão and Gerhardt Kellermann develop design products and objects for national and international clients. Their design language is strictly minimalistic, they follow an interdisciplinary and collaborative approach. In their work, they deal with innovative materials, contemporary technologies, and areas of application. Together with Holzrausch and Jan Heinzlmann of OHA, RelvãoKellermann developed the J*GAST brand.
