### ARMCHAIR

ARMCHAIR forms with ROUND TABLE a monolithic furniture group, which was designed especially for Casa Morelli in Tuscany. The furniture is characterized by its materiality in connection with its simple design: The seating surface is made of one piece of vegetable-tanned cowhide. These are integrated into the solid armrests, which are hand-carved.

## KLAUS LICHTENEGGER

---

Klaus Lichtenegger is an Austrian designer, sculptor, and artist. He lives and works in Friuli, Italy, where he produces his work by himself with natural raw materials. The imperfections and the natural aging process of the materials are conscious characteristics of his furniture and objects, which thereby gain their own personality.
